AFRICA ROUNDTABLE

"The importance of Africa and the Indian Ocean in the Space Age" will be the topic of the meeting at 1000 on 1 June 1962, in Room 4 F 31, Langley Headquarters. The Roundtable is pleased to have an exceptionally well qualified speaker, Brigadier General Paul T. Cooper, USAF, to lead the discussion. Currently Brigadier General Cooper is the Assistant Director of Defense Research and Engineering (Ranges and Space Ground Support) in the Department of Defense.

Our seating arrangements are relatively limited and this notice therefore is restricted to the immediate recipient.

Visitors can enter the grounds at the present termination of the George Washington Memorial Parkway and should bear left along the fence to the Main Entrance, on the east side of the Building. The Visitor's Parking Area is to the left of the Main Entrance, opposite the dome-shaped auditorium still under construction. Visitors who arrive before 0945 will have ample time for parking and to be escorted to the meeting room.
